The following information must all be followed and/or provided or the work will not be eligible for judging:

Works must be on good quality paper which can be collected from the Student Office and Art department, but all other materials must be provided by the student.

The Art department will undertake an initial check of the entries. If they feel any work is largely underdeveloped or is of inappropriate content, it will not be exhibited. An external panel of judges will then be invited to make the final decision as to the Winner and Highly Commended recipient.

All selected entries will be displayed prior to the WGC Art Award announcement. The winners will be announced at a private function to which all entrants, their families, the Board and staff will be invited. This function will be hosted by the Arts Committee, the Visual Art department and the Principal.

Both Winner and Highly Commended recipients will receive a cash prize and a certificate, and for the Winner, an acknowledgement on the Art Wall.

The winning artwork will become the property of Wellington Girls' College and form part of the permanent art collection of the school. The work will be displayed and may be used by Wellington Girls' College in any promotional material (but must be attributed).

The Judges' decision is final and no correspondence will be entered into.
