

School Based Items and Activities – information for parents

As part of providing a full programme of activities to meet curriculum requirements and enhance the curriculum for students at WGC, the school has traditionally provided a range of resources and activities for which parents have contributed. Rulings by the Ombudsman and the Inland Revenue Department and MOE have resulted in some clarification around how these costs must be described.

When viewing your school based items for your child, you will notice that some items are marked as “voluntary contributions” and others as “extra curricular”.

Voluntary Contribution

(Voluntary contributions are classed as a donation and qualify for a tax donation credit rebate of 33%)

Parents can choose whether or not to pay for these items. Regardless of payment, all students enrolled in the subject will be given access to the item. However in the event that a significant number of parents choose not to pay for these items, the school will experience a shortfall in covering costs and reserves the right to cancel the event or item.

Those items marked “voluntary contribution” are items:

- That the school provides as part of the curriculum
- For which the school cannot require payment from parents

Extra Curricular

Those items marked “extra curricular” are items:

- For which the school does not receive funding from the Ministry of Education
- For which the school can require payment before a student can participate in the extra curricular activity or access the item/resource.

Non-payment of Extra Curricular items means that your child will not participate in the activity or receive the resource.

Tax Donation Refunds for Donations and Voluntary Contributions

Donation receipts will be emailed to you in the first week of April for the tax year 1 April 2024 to 31 March 2025 which will include both Donations and Voluntary Contributions.
